Mini Reunion in California

This picture was taken at **Lilly(Radzewicz) Gwilliam's** house in California in May of this year...Everyone had a great time and they are planning on doing it again...as you can read by the statement that **Nick Wynkoop** forwarded to me...

"What a great get together! Your home and property are spectacular. You and Gary were very welcoming and warm. Marty Pulvers really pulled the lunch together in spite of the stove top not working properly. The salad and bread and my Cha Sui Boa were fine but the hit of the day was the delicious meat balls, sausage and spaghetti main dish. I have to give it to Marty, he is quite the cook! Len and his lovely wife are always so kind and fun. I'm proud to know Bob and Ron too. They are fun and nice to be with."

Back row LR: **Ron Shiperd** and **Bob Calhoun**
Front row LR: **Marty Pulvers, Janet Calhoun, Len Felsenfeld, Marlene Felsenfeld, Joan Shiperd Grant Kreinberg** and **Lilly**....Do not Marty and Len look like brothers??
